

Health and Safety

Policy Statement

Our Safety and Health objectives are to:

- Identify, assess, and control potential risk and hazards.
- Provide written Procedures and Safe Work Standards to ensure safe systems of work
- Provide safety training which ensures compliance with legislative requirements and Safety and Health responsibilities
- Support the rehabilitation of injured or ill employees.

The Senior Management representative on each site is accountable for the implementation of this policy at their worksite, and will be measured through the Safety and Health Audit process. Comply and meet Australian Standards 45001.

Inspired Printing recognises it is legal and moral responsibility to provide a safe and Healthy working environment for employees, Subcontractors, vendors and visitors at all "Inspired Printing, and to ensure that our operations do not expose the local community to any risk of injury, illness or damage to property.

Managing Director George Sinis

Inspired Printing
November 2023

Management is responsible for:

- Providing and maintaining a safe working environment and safe systems of work.
- Providing qualified Safety and Health resources to ensure that project and legislative Safety and Health commitments are met.
- Training employees to meet the competency and Safety Standards for tasks performed.
- Consulting with employees in the development, promotion and Implementation of Procedures and Safe Work Standards.

All Inspired Printing employees are required to:

- Comply with all Safety and Health policies, Procedures and Safe Work Standards.
- Report all hazards, injury and damage to their supervisor or Manager.

Inspired Printing committed to the continuous improvement of Safety and Health, implementing Safety and Health committees at all workplaces, and consulting with elected employee Safety and Health representatives on matters pertaining to any workplace issue which may affect the Safety and Health of any Inspired Printing employee.
